The BDR is an identification system operating in outlets where you can buy takeaway alcohol.

It bans problem drinkers from buying takeaway alcohol.

It assists in directing problem drinkers to appropriate treatment and rehabilitation.

People on the BDR cannot buy, possess or consume alcohol.

The Banned Drinker Register assists in reducing alcohol related harm to individuals, families and our community by encouraging and supporting people to access help.

People can be banned from buying takeaway alcohol and placed on the Banned Drinker Register for the following reasons:

- any combination of three alcohol related protective custodies or alcohol infringement notices in two years
- two low-range drink driving offences or a single mid-range or high-range drink driving offence
- being the defendant on an alcohol related domestic violence order
- having an alcohol prohibition condition on a court order (including child protection orders), bail or parole order
- by decision of the BDR Registrar after being referred by an authorised person such as a doctor, nurse or child protection worker, or a family member or carer
- self-referral for any reason.
